

BUNNINGS BBQ - INFORMATION SHEET

Scouting is a voluntary, educational movement that aims to encourage the development of young people. Fundraising is an essential element of Scouting. At 1st Ermington it allows us to fully support our volunteer Leaders by providing a well maintained hall, funds for necessary equipment purchases and equipment maintenance costs, so our youth members can participate in outdoor activities, and provides funds to subsidise major event attendance.

All non-Leader families are rostered onto the BBQ. To assist us with rostering please advise your preferred shift, and let us know if there are shifts you cannot assist with due to other commitments. Please let us know asap if your allocated shift is unsuitable so that we can move you to another shift or find a replacement family for this shift. Letting us know asap assists us to avoid last minute urgent emails to the Group and inconveniencing other family arrangements.

BBQ Shift Requirements

- Scout members in attendance should wear full Scout uniform as this provides great recognition in the community.
- All volunteers must wear closed in shoes - no open toed shoes, sandals or thongs are permitted. Long hair is to be tied back.
- No children under 15 are permitted to operate any equipment. Under the Food Handling Act children are not permitted to handle the food at the BBQ. They can take orders/money and serve drinks.
- All food products either raw or cooked must not be handled with bare hands.
- Separate equipment must be used for cooked and raw products.
- People handling food must wear gloves and not handle the money.
- All rubbish must be taken back to the Scout hall and placed in our bins.
- The BBQ Checklist must be completed and is to be left at the Service Desk prior to leaving with funds raised.
